## Iglesia & White Station - Growing Together

The first century church members were in constant contact with each other. That new family of God met daily "...in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts," (Acts 2:46) The purpose of these gatherings was to continue receiving the apostles teaching, to stay in constant fellowship, to share the Lord's Supper together, and to be in prayer with each other. (Acts 2:42) It is very clear that as they did this their love for each other grew and so did their love for God. Fellowship with other believers has always been needed for us be encouraged to maintain our faithfulness to God.

The Hispanic group at White Station, typically referred to as simply "Iglesia", will complete three years of being on the campus of the church of Christ at White Station. Some of the key reasons that Iglesia made the move to be physically present with the White Station family are to be able to fellowship, grow closer to the family here, receive the benefit of the children's program (since the children speak English fluently), and to bless the White Station family.

We have seen good integration during the past 3 years but we are making a concerted effort to renew and improve Iglesia's integration into the larger church family. To be able to accomplish this, Iglesia is going to be more involved in various activities of White Station and we will be inviting the English-speaking White Station family to participate with Iglesia in various ways. Please consider that you have a standing invitation to join us in our Sunday worship and our Bible classes. We do conduct those times in Spanish but you will still be a blessing to us and we hope we will to you. Also we have a monthly fellowship meal each first Sunday. Our next one will be April 2 and we are already planning on joining the 11 a.m. Fellowship Hall group for a bilingual service and for lunch that day.

May we continue to grow in our understanding, love, and unity of each other as we reach out to our diverse community.

## A Prayer For

## VISION

### Why We Pray

What if there are some things God either cannot or will not do until people pray?  
 --Maxie Dunham, The Workbook of Intercessory Prayer

### A Way to Pray

Gracious Father, we pray for your church.  
 Fill it with all truth, in all truth with all peace.  
 Where we are broken, mend us; where we are in error, direct us; where in anything we are amiss, reform us.  
 Where we are right, strengthen us; where we are in want, provide for us; where we are divided, reunite us;  
 in the name of Jesus Christ your Son, our Savior. Amen.  
 --adapted from the Book of Common Prayer
