A Prayer For

VISION

Why We Pray

“Prayer is not a hard requirement – it is the natural duty of a creature to its creator, the simplest homage that human need can pay to divine liberality.” -Charles Spurgeon

A Way to Pray

*Oh! to be like Thee, blessed Redeemer,
This is my constant longing and prayer;
Gladly I'll forfeit all of earth's treasures,
Jesus, Thy perfect likeness to wear. Oh! to be like Thee, oh! to be like Thee,
Blessed Redeemer, pure as Thou art;
Come in Thy sweetness, come in Thy fullness;
Stamp Thine own image deep on my heart.*

Imagine if everyone had this “constant longing and prayer”: to be like Jesus. The more time in prayerful presence of the Father results in more similarity like Him. And the more each of His individual children looks like the Father, the more the whole church looks like our Redeemer -- a homogenized blend of His characteristic love and goodness.

To have His image, His character, His Spirit stamped on my heart is not a sacrifice or hard requirement; rather, it is the duty of the Father's children to embrace these spiritual genes. Our time in prayer allows Him to shape us and teach us, just as a child learns by a parent's example. Let each of us pray to be more like Him so that this body will, as a whole, reflect his loving kindness to the community around us.

Service Sunday

Sunday, July 16, at White Station

From the Elders

For those members of our church family who are anxiously awaiting Jerry Collins' annual presentation of the budget for the upcoming fiscal year (7/1/17 to 6/30/18), that presentation is being delayed until after our One Summer One Church series. Although the weekly contributions have been down for the past several weeks and we will finish the current fiscal year with a lower level of contributions than we were anticipating, individual ministry leaders and the ministers and shepherds who oversee spending have accomplished a truly marvelous task in scaling back expenditures, so we will not spend more than we have been given.

A couple of positive highlights within our financial picture is that monthly contributions for the Good Samaritans Ministry have remained fairly constant and the amount contributed on Mission Sunday exceeded the amount requested. The White Station church family has always responded with great generosity when needs are presented.

God has blessed us as a church family in a variety of ways that have exceeded our expectations. Jerry's upcoming annual presentation will not only give us a vision of the ministries we now have, but will also raise our sights for the possibilities that God is calling us to faithfully imagine. We trust all of us will cheerfully respond through our giving to the opportunities God places before us and will catch the excitement of His plans for White Station's future.

FROM TERRI JONES

Why Service Sunday?

Because Quality Time Matters.

It takes work and intention to build sustainable relationships that create unity. Through the example and teachings of Jesus and His disciples in the early church, we begin to understand the church as One Body. They spent time together as one. Not an hour or two a week in a worship assembly with cordial conversation, but quality time breaking bread together and serving the needs of each other. They did life together.

This summer we've already had opportunities provided to spend time with each other sitting down to a meal or coffee in the breezeways. And our worship times were intentionally scheduled to create occasions for us to extend our fellowship together beyond our campus assemblies.

Another way to build deep & lasting relationships is by spending quality time serving together side by side. **Service Sunday on July 16th** is another opportunity to come together on our campus as One Body to serve our church and its many ministries. Here is what you need to know:

Numerous projects will be assigned based on your indicated preference and skill level. You will be notified in advance which Project Team you are assigned to with all the details. Here are some examples:

Organizing & Cleaning - nurseries, kitchen, pews, walls, closets and tables

Encouragement – notes to our CLC guests and missionaries, gifts prepared for our shut-in members and Hands of Hope new mothers

Maintenance – wall and touch-up painting, weeding and shrub trimming

All projects happen on the White Station campus immediately following worship assemblies and end by 2 p.m. Lunch will be provided for all participants. Nursery and Childcare will also be made available. Sign up in Bible Class, Wednesday night or contact Terri in our church office.

We hope you make plans to join us!

Online Bill Pay - An Easy Way to Give

As we all look for ways to streamline our bill paying and check writing, Online Bill Pay emerges as an easy, convenient way to make automatic contributions. By simply going to your bank's website, you can set up automatic payments to the church by dates and frequencies of your choice. Then your bank cuts a check payable to White Station and physically mails it to us with your name and address as the payer. This check is then scanned and recorded to your contribution statement with the next Sunday's contributions. You can even designate different payments for specific funds on a periodic basis. Many of you are already making gifts this way for Regular Contributions, Good Samaritans, Food Pantry, and other designated funds. You can enter your designation when you set up the payment. This is a wonderful way to make regular contributions effortlessly, and it is good to know there are no fees to the church for this service. 100% of your contributions go toward supporting the missions of White Station.
