A Prayer For

VISION

Why We Pray

Prayer binds us to God. That's why we tell God what He already knows. He knows what we have need of before we ask, but we're definitely, specifically, unqualifiedly told to pray and to ask — not to impress or inform God, but to invite God, so that we might have that fellowship with Him, so that we might grow, and we would learn to depend upon Him.

~Adrian Rogers

A Way to Pray

Gracious and loving Father, thank you so much for loving us and wanting to be in relationship with us. It is beyond our ability to comprehend that you want to be not just over and around us, but in us and with us, and that you want to be known by us to the extent we are able to know you.

Thank you for giving us the avenue of prayer, making it possible for us in our insignificance to open our hearts to your magnificent Presence, and to share our hearts with you. Please help us to see what an amazing gift this is, and help us to open our hearts and invite you into our lives every day, every hour.

Thank you for Jesus, through whom we pray. Amen.

SOCKTOBER

Every night in the United States an estimated 600,000 people live on the streets and need simple things, like socks, to help them get through the night. The #1 needed clothing items for those in need are socks and underwear. In 2011, Socktober began in Tennessee by Brad Montague, creator of Kid President. He discovered that socks were the least donated items to homeless shelters.

We hope to stock White Station's Clothes Closet with **socks** and **underwear** during the month of October. **We need small and large sizes of underwear for men and women.** Donation tubs will be located in the Auditorium lobby, Chapel lobby, front and back entrances of the CLC and each information rack in the Fellowship Hall.

This will be a great way to welcome our new guests at Room In the Inn in November!
Thanks!

Community Yoga Classes

White Station is offering a free yoga class that meets every Tuesday night from 6:30 p.m. - 7:15 p.m. The class is taught by Kayla Sentell. Many of you may know Kayla. She is the daughter of Steve and Jeanne Sentell and the granddaughter of Sara Brewer. Kayla is an RYT 200 Certified Yoga Instructor and teaches classes for Sumits Yoga. The class meets in the Children's Worship Room. Please plan to enter through the class doors in the breezeway.

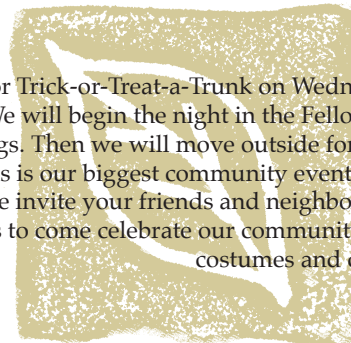

Remember to bring your yoga mat, water bottle, and a friend!

Mark Your Calendar!

Save the date for Trick-or-Treat-a-Trunk on Wednesday, October 25. We will begin the night in the Fellowship Hall for hotdogs. Then we will move outside for trick-or-treating. This is our biggest community event of the year, so please invite your friends and neighbors and make plans to come celebrate our community with costumes and candy!

Change of Information?

If you move, get married, change your email address, get a new phone number, get a new job, or anything else that effects your personal information...PLEASE notify **Terri Jones** (tjones@cocws.org) so that she can update our church directory. We love to have correct, current information on all our family members!

We're Counting On You

We are currently looking for volunteers to assist in counting Sunday worship attendance and Sunday morning bible classes. Anyone interested can contact Dwayne Pettie at fdpettie@bellsouth.net or call the church office at 761-2007 for more information.

Children's Ministry Updates

Do you remember going a long time without seeing or talking to a friend? Then when you do see them, you can hardly contain yourself! You just start talking and before long you realized you have been talking for hours! You had a million different things you wanted to share so you just rambled on!

Well, that is where I find myself today. I have so much I want to share with you about our children and all we have going on! I can't sit down with each of you but I have this strong desire to share it with all of you!

First, I have to brag on our teachers! This summer and fall quarter we have been so blessed with teachers who love our kids! These men and women are making a big impact on how our kids view their faith community. Sarah Banker recently shared with me a conversation she had with her daughter, Addison. Addison began by telling her mom who her teachers were and that their husbands had been her teachers during the summer!

She then said, "Do you know what that means mom?"
"Their whole family is loving on me! How cool is that?"

The joy this brings to me can't really be expressed. I hope all our kids will come to know the love found inside the Kingdom of God.

I also want to tell you about Route 66! This school year we are headed down Route 66 – A Journey through God's Word. One of the challenges made to our kids is to learn and say the 66 books of the Bible. Once they have completed the challenge they will be entered into the Route 66 club! My plan is to show video clips of the kids saying the books of the Bible, in the venue in which the child attends, so you can cheer them on!

Trick-or-Treat-a-Trunk is my next big thing I want to share! I have tried to remember the first year we started this event, and I think it was 20 years ago, but honestly it doesn't really matter! What does matter is how well we serve our community. Some years we have done better than others but the good thing is we have the opportunity to do our best this year! We can all show up and greet a visitor, tell a child how cute he or she is, send a food item that is needed, help serve a meal, pass out candy from our trunk or simply help clean up after the event. There are many ways to be a part. Some may think, how are we helping our community with this event? Are we telling them the good news? Well, we are never wrong for serving our community, even if it is just providing them with a safe place to Trick or Treat and even though we are not verbally sharing the good news, it is my prayer that our hands and our feet are sharing the news! My prayer is for the children that step on our campus, as well as their parents, should they ever find themselves in need or searching they will remember the kindness they found on our campus. We are planting seeds! I hope so much you will take the step and join us!

So the counter on my computer is telling me I have rambled for hours! I have many more exciting things I want to share but I will save them for our next visit!

Our CLC is a ministry *OF* White Station, but it is also a ministry *BY* White Station... which means we need YOU. Help is always needed to carry out all the CLC's offerings and new ideas for engaging with our community are also appreciated.

Join us in welcoming our community to our campus and engaging in everyday life with them. Contact Clay Fowler (cfowler@cocws.org/761-2007) to learn more!
