Iglesia Anniversary Celebration

In April, our Iglesia ministry will be celebrating its 20th anniversary! We are excited that April also marks 5 years since Iglesia started worshipping on our campus. In honor of these milestones, Iglesia is inviting everyone to a Bilingual Night of Praise on **Saturday, April 6th** in The Station. Worship will be led by Carlos González, from the bilingual acapella singing group Voces. On **Sunday, April 7th**, Iglesia will have a bilingual worship service in the Chapel at 10:15 a.m. followed by a special fellowship meal in the CLC Gym. All are invited, and you don't want to miss these celebrations!

Art is too important not to share!

White Station's Berä Ministry Member Art Exhibit is **Sunday, April 28th**, just 8 weeks away!

All artists, young and old, artists of all mediums, at every experience level are encouraged to submit your art for this year's art show. If you've been thinking about creating something for this year's show, here's your chance to display your creative side and make this year's exhibit truly special and unique.

Ready, set, create!

FROM GORDON LAWRENCE

It Takes a Village

For the past 20 or so years, our church family has welcomed our newest additions in a service we call "Baby Blessing Sunday." The opportunity to celebrate new life is one of my favorite things we do as a church family. The big smiles on the faces of the moms & dads, the ear to ear grins on the faces of the big brothers and sisters, and the beaming faces of grandparents and extended family members as they stand up front with their greatest blessings are truly mesmerizing. Getting to see the pictures of the little ones and getting to read the prayers of their parents remind us all that each and every child is truly a miraculous gift from God and should be treasured as such.

However, if past years are any indication of what will happen this morning, not every child will be happy throughout the entire worship service, and neither will every adult. Regardless of whether you are a young infant or one of our more senior members, distractions cause us all to focus at times on what we don't have. While we very readily understand the infant who cries because of hunger or a wet diaper, we are not always as understanding of the young family who struggles financially, or the student who faces the weight of school and societal pressure to succeed, or the complications faced in marriages of all ages, or the sometimes debilitating fears faced by each one of us when we contemplate our own mortality. If we are not careful, Satan will take our joys and turn them into something dark and sinister.

While the old adage "it takes a village to raise a child" is as true today as ever, it is also true when it comes to caring for another within our church family as well as our friends and neighbors. As a church family, we will pledge this morning to be involved in the lives of these little ones, to teach, to encourage, and to show them by our words and actions the love of Christ. We will pledge to walk alongside their parents, sharing our love, insights and successes and failures. Our God asks that we do no less for our brothers and sisters, and for all of those we come into contact with during our daily lives.

Community is a loaded word in our world today. We deeply long for community while we isolate ourselves more than ever. God's idea of community is revealed through his calling of each of us to be an active and involved part of the body of Christ. As we celebrate this morning the new life represented by our newest members, let's also celebrate our life in Christ. Let's live lives worthy of our calling and encourage those around us to do the same.

Our Vision

The vision of the White Station Church is to be the church God desires as described in Ephesians 4:15-16. Our vision will be realized by focusing on the following areas that were revealed as we listened to what God is currently doing in our church and our hopes for the future.

- **SPIRITUAL GROWTH**
- **PERSONAL CONNECTION**
- **UNITY IN DIVERSITY**
- **GENERATIONAL EXCHANGE**
- **VALUING FAMILIES**
- **MISSIONAL APPROACH**

"Speaking the truth in love, we will grow to become in every respect the mature body of Him who is the head, that is, Christ. From Him, the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work."

- Ephesians 4: 15-16
