

In-Person Worship Gatherings

We are requiring that every attendee pre-register for worship services. Please visit the DNA (<http://cocws.org/media/daily-news-alert>) for the registration links. Spaces for each service have been limited due to physical distancing, so please register early!

9:30 a.m. - In the Auditorium

- This worship service will be in the more contemporary worship style of the Fellowship Hall inclusive of women serving in leadership roles.
- This service is live streamed, so come early as we will be starting on time.
- Families will be safely positioned at least 6 feet apart.
- This service will include communion (individually packaged).
- No Sunday school classes, children's activities, or nursery will be provided.

11:00 a.m. - In the Auditorium

- This worship service will be in the more traditional worship style of the Auditorium and 5:00 p.m. Chapel services.
- This service is live streamed, so come early as we will be starting on time.
- This service is reserved for those who did not attend 9:30 a.m. service.
- Families will be safely positioned at least 6 feet apart.
- This service will include communion (individually packaged).
- No Sunday school classes, children's activities, or nursery will be provided.

If you will be joining either of these services online, you can find the weekly livestream at this link: <http://cocws.org/media/sunday-livestream>.

Per the Tennessee Governor's recommendations, we encourage any who are vulnerable to continue to worship with us online. The state of Tennessee defines "vulnerable" as everyone 65 years of age and older, people with disabilities, people with serious respiratory or cardiovascular conditions, and people who are immunocompromised.

As we continue to love each other and our neighbor, we require that everyone attending an in person worship gathering wear a mask and respect physical distancing of 6 feet. Keeping each other safe is very important to us.

We hope you and your family choose to join us on Sundays as we gather to worship!
