

Church of Christ at White Station 2019 Member Art Exhibit

We are pleased to include your artwork in the upcoming Member Art Exhibit! Please read these instructions carefully to ensure your submission is successful. This non-competitive exhibit is open to White Station members of all ages and abilities. There will be no selling during the show, however Artists are encouraged to make their information available, if desired (business cards, etc.).

Due to limited space, each Artist may submit up to THREE pieces.

This exhibit is intended to bring glory to God, the original and supreme artist, in whose image we are created. We affirm that an artistic nature is an inherent part of that image and seek to celebrate the talents and abilities God has instilled in each of us. The artwork that we create, whether it is overtly spiritual in subject or not, is still a reflection of the Spirit that lives within us.
